**1. Introductions:**

- a. Sign-in Sheet for those in attendance.

**2. Minutes:**

- a. Consensus approved minutes from General Meeting of 5/16/2015 in Boulder.
- b. Consensus approved minutes from General Meeting of 8/8/2015 in Aspen.

**3. Administrative:**

- a. The old PO Box has been closed out with the \$1.00 deposit returned. Mike McDonald forwarded the funds to the President in the Treasurer's absence.
- b. Discussed having more than the standard two contacts for each team so the newsletter, minutes, etc. get promulgated thoroughly through every team.
- c. Update on the teams applying for CSRB membership and the current list.

**4. MLSO Class:**

- a. Had 3 instructors for 30 people. Brought in \$4500 with about \$2500 in expenses. Used 10 scholarships. The on-line registration seemed to work well. The instructors have received the new materials but want to review them before using them in a class. Need more committed instructors. Mesa County may want a class in the spring and Douglas/RMR want a class, too.

**5. Election of Directors/Officers:**

- a. Nominees for the 4 open Director Positions:
  - i. Jeff Sparhawk - Front Range Rescue Dogs
  - ii. Tim Schlough - Summit County Rescue Group

- c. **Nominees for the Director positions approved by consensus.**
- d. **Nominees for the Officer positions approved by consensus.**

**6. Other:**

- a. Boulder County has renamed their radio channels.
- b. Homeland Security: Resource typing is still going on for the state.

- c. Coordinator: 81 calls with 42 incidents since mid-July. Most for helo resources and PLB. Do not have multiple air requests coming in for the same incident. Best to run all air requests through the on-call coordinator. Be aware of all available air assets.
- 7. **Mission Reports/Lessons Learned:**
  - a. Grand - Couple lost on Byers Peak. Pinged phone but was non-determinant. Subject moved.
  - b. RMR – Multi-day suicide search
  - c. Western States – Don't underestimate your confinement!
